

When you feel dull, out of sorts, discouraged, half sick and everything seems to be going wrong, you can blame it on your liver. It is torpid. You need

## HERBINE

A Medicine of Power in  
All Liver Disorders.

When the liver is torpid, it throws impurities into the system, which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine cleans out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

### THE ALL-COUNTY TEAM

Team Picked from the Best Players in Lafayette County.

End—Slusher, Wentworth. Tackle—Starke, Lexington. Guard—Mock, Higginsville. Center—Nigg, Lexington. Guard—Pesch, Lexington. Tackle—Stiehl, Lexington. End—Hoge, Wentworth. Quarter—Moorehead, Lexington.

Half—Groves, Wentworth End. Half—Shelby, Lexington (captain).

Fullback—Roberts, Wentworth. Honorable Mention—Vaughan, Lexington; Sellers, Wentworth; Wiley, Higginsville; Thorp, Higginsville; Barnes, Lexington; Mann, Lexington.

According to custom the INTELLIGENCER herewith submits a team of football players composed of the best men in the county. Eligible to this team are players from the high schools of Lexington and Higginsville and the residents of Lafayette county playing on the various Wentworth teams. The writer has officiated in games for all of these teams and therefore believes he is about as well posted on the individual merits of the men as is anybody else. At any rate, he is the only football student interested in a county newspaper and therefore the only critic who can get his dope into print without paying for it or intimidating an editor.

The team in some respects is better than that of last year and in others not quite so good. Line men are scarce, while ends and backs are plentiful.

Of course all the resident Wentworth regulars get berths. Wentworth under Coach Thacher developed a remarkably good team this year and outplayed and defeated Westminster, the state college champions, as well as Missouri Wesleyan, one of the heaviest and fastest college teams in Missouri.

Lexington high school gets six positions on the honorary eleven. The local boys had a remarkably fast and well rounded team, playing with enthusiasm and unanimity that won games. Coach Schweer had his pupils so trained that they fought all the time and the interference they gave was better even than that of the Wentworth first team.

On the minor teams of Wentworth Groves was the only man that remained till the end of the season. Aull and Bates were both good men, but they quit before the last games.

The Higginsville high school had several good men and made a creditable showing in its last game with Lexington, except that it hurt its reputation by allowing a ringer to play.

For center Nigg of Lexington is clearly the best man and gets the place without any hesitation. Good guards are exceedingly infrequent and to fill the places anything like satisfactorily it is necessary to shift Mock, the

Higginsville center. Petsch of Lexington, though light, has done some fairly good work and gets the other position. There is no hesitancy at all in picking Stiehl and Starke of Lexington for the tackles. They both play a fair defensive game and on offense are excellent on opening up holes.

Slusher and Hoge, the regular Wentworth ends, get their places of course. But Vaughan of Lexington is an exceedingly clever player, especially in pulling down the forward passes and on kicking. Sellers of Wentworth who played at end or quarter in every game of the season, is also worthy of mention.

Moorehead of Lexington is clearly entitled to the quarter position. He has shown remarkably good judgment in running his team and he passes the ball cleanly. Groves and Shelby are both good halfbacks. The former is a strong and hard runner with good ability at hitting the line, while the latter is wonderful in open field running. He is fast and a clever dodger. Wiley of Higginsville is the best man on his team, being nervy and fast, while Thorp of the same team has done some good playing. Mann of Lexington is only a shade under the first choice and he has gained a great deal of ground for Lexington this year.

For fullback there is no question as to Roberts' fitness. He is one of the best punters in the state, a good man at carrying the ball and a great defensive player. Barnes of Lexington is heavy and a hard player, but lacks the experience of Roberts.

Perhaps this selection does not satisfy you, but it is as accurate as any of the other "all" teams.

## MILD, GENTLE LAXATIVE FOR WOMEN GIVEN FREE

So many of the ills of women are due to habitual constipation, probably because of their false modesty on the subject, that their attention cannot be too strongly called to the importance of keeping the bowels open. It is always important to do that, regardless of the sex, but it is especially important in women.

From the time the girl begins to menstruate until menopause ceases she has always vastly better prospects of coming through healthy if she watches her bowel movements. If you find yourself constipated, with bad breath, pimply complexion, headaches, belching gas and other symptoms of indigestion and constipation, take a small dose of Dr. Caldwell's Syrup

Pepsin. It is woman's favorite laxative. You will find that you can do away with salts, strong cathartics, etc., which are entirely unsuited to woman's requirements.

Mrs. Katherine Haberstroh of McKees Rocks, Pa., and Mrs. A. E. Herrick of Wheeler, Mich., who was almost paralyzed in her stomach and bowels, are now cured by the use of this remedy. A free sample bottle can be obtained by addressing Dr. Caldwell, and after you are convinced of its merits buy it of your druggist at fifty cents and one dollar a bottle.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

Miss Rheba Welsh returned Tuesday evening to her home in Kansas City after a few days' visit here.

### CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Lexington who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25 cent box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store Crenshaw & Young.
